SECTION 1:

FINANCIAL SERVICES GUIDE

WHAT OTHER INFORMATION SHOULD YOU CONSIDER BEFORE DECIDING WHETHER TO PROCEED WITH OUR RECOMMENDATIONS?

If you receive personal financial advice this will be documented in a Statement of Advice (SoA), or in specific circumstances a Record of Advice (RoA), that confirms the discussions you have had with us, the recommendations we are making and the basis for those recommendations. These documents will also explain how those recommendations will work towards achieving your goals, any relevant fees received by us, and any associations with financial product providers.

When a financial product is recommended to you, you will be provided with a Product Disclosure Statement (PDS) or other disclosure document issued by the product provider. Among other things, the PDS contains information about the risks, benefits, features and fees payable in respect of the product. In combination, these documents will help you make an informed decision about whether to proceed with our recommendations.

In relation to the financial services offered in this FSG, Magnitude, as the holder of an AFSL, does not act on behalf of any other person or licensee. Magnitude is only responsible for the services offered in the FSG.

The law requires Magnitude to have arrangements in place to compensate certain persons for loss or damage they suffer from certain breaches of the Corporations Act by Magnitude and/or its Authorised Representatives. Magnitude has internal compensation arrangements as well as professional indemnity insurance that satisfy these requirements.

WHAT PRODUCTS ARE AVAILABLE?

A range of financial products offered by many leading financial product providers are available for recommendation by us. Details of the available products we can recommend are contained in the Approved Product List (APL).

Internal and external experts provide financial product research, which is used to carefully select and maintain an extensive list of Approved Products for us to select from. We conduct due diligence on external research report providers that provide us with research.

We will only recommend a product to you after considering its appropriateness to your individual objectives, financial situation and needs. The recommendations will be made after conducting an investigation into the financial products and may require us to investigate and consider a financial product which is not on the APL.

HOW DO WE ENSURE THAT THE ADVICE WE GIVE YOU SUITS YOUR NEEDS AND OBJECTIVES?

To ensure we provide advice suitable for your needs and financial circumstances, we firstly need to understand your financial situation, personal financial objectives and needs. We will follow a step-by-step process as outlined below:

- 1.) We will meet with you for an initial consultation. During this meeting we will discuss your expectations and provide you with details of the services we can offer.
- 2.) We will collect all the information we need from you, including your personal financial situation, financial objectives and needs. If you do not wish to provide the information we require, we will advise you of the possible consequences of not disclosing your full personal information and the impact on the recommendations given. This may include not being able to provide advice on the subject matter you request.
- 3.) We will help you identify your goals and may discuss your attitude towards investment risk.
- 4.) We may consider strategies and areas such as income, social security, insurance, cash and estate planning requirements. Where required we will also conduct a reasonable investigation of the financial products that may be suitable to implement the strategies as part of the recommendations. Based on these and other considerations, we will prepare and present you with a written SoA, or in some cases depending on the circumstances, a RoA. We will explain in the SoA (or RoA) the basis for the advice, and any remuneration, benefits or associations which could have influenced the advice. Where we recommend financial products, we will provide you with a Product Disclosure Statement (PDS) or other disclosure document containing information about each product recommended, to help you make an informed decision about whether to purchase that product.
- 5.) We will discuss our recommendations with you, make any changes you require and gain your agreement to implement those recommendations.
- 6.) We will then implement those recommendations.
- 7.) We will meet with you periodically to review your financial circumstances if we agree to an ongoing advice service arrangement which includes a regular review component. If an ongoing advice service arrangement is entered into, this will be documented in your Ongoing Advice Service Arrangement Letter and/or SoA. Where you have entered into an ongoing fee arrangement after 1 July 2013, we will renew your arrangement with you at a minimum of every two years.

We will also explain to you any significant risks of the financial products and strategies which we recommend to you. If you are unclear of the risks, do not hesitate to question us further.

In certain circumstances, we may not provide you with personal advice via a SoA or RoA, as outlined above. These circumstances may include:

- 1.) Where we provide you with only general advice, such as through seminars and newsletters;
- 2.) When we are acting under a Managed Discretionary Account (MDA) service which allows us to manage investments on your behalf, once you have accepted this service in a SoA;

- 3.) Further advice or verbal advice – if you previously received advice recorded in a SoA, any further personal advice provided by us may be recorded in a RoA. We will not necessarily provide you with a copy of the RoA unless you request it (see below).

WHAT DOCUMENTS DO YOU GET IF WE PROVIDE FURTHER ADVICE?

Where a further review is conducted and personal advice is provided, in some circumstances we are not required to provide you with a SoA for this further advice. Where this is the case, if you have not already been provided with a RoA, you may request a copy of the RoA from us by contacting us (on any of the contact details set out in Part 2 of this Guide) for a period of seven years from when the further advice was first provided to you.

HOW CAN YOU INSTRUCT US?

You may specify how you would like to give us instructions, for example, by phone, fax or email, using any of the contact details set out in Part 2 of this Guide. Alternatively, you may provide instructions to us in person. Where instructions are provided by telephone, these must be confirmed in writing.

OTHER SERVICES

Related businesses may provide services other than financial planning services. For example, via a related business, we may also act as your accountant or legal adviser, or advise you on real estate investments or your finance needs (performing credit activities for you). While we may provide these other services, you should understand that these other services are not provided under Magnitude's AFSL and Magnitude does not train, support or supervise the provision of these other services and has no responsibility in relation to these services.

Examples of the services which Magnitude is not responsible for include:

All fees and commissions are payable to Magnitude. We may receive up to 100% of any fees and commissions received.

Details of any fees, commissions or other benefits that we, Magnitude or other associated persons are entitled to receive if you implement our recommendations in relation to a specific financial product, will be disclosed to you in your SoA or RoA when personal advice is given.

WHAT TYPE OF FEES, COMMISSIONS, PAYMENTS AND OTHER BENEFITS DO WE RECEIVE FOR OUR SERVICES?

The types of fees, commissions and other benefits that may be received by us and by Magnitude include the following:

Service fees

We will discuss and agree our fee structure with you before we provide you with services. The types of fees you can be charged are listed below. You may be charged a combination, or part of, any of these fees.

Fees for advice

We may charge fees for the preparation, presentation and implementation of our advice. These fees will be based on your individual circumstances, the complexity involved in your situation and the time it takes to prepare personal financial advice for you. We will discuss these fees with you and gain your agreement to the fees before we provide you with advice.

Ongoing advice fees

We may charge a fee to provide ongoing portfolio reviews and/or for the provision of ongoing services. This fee will be agreed with you and is either a set amount, or an amount based on the amount of funds under our advice, and/or the time involved in reviewing your portfolio and circumstances.

Referral fees

If we refer you to another business to provide you with services, we may receive referral fees. Those fees may vary according to the party to whom we are referring, and the products involved. We will provide written notification to you if we are likely to receive referral fees for referring you to another service provider.

Payment methods

Our fees are either invoiced to you directly, or deducted from your investments, or a combination of these methods. Where it is debited from your investments, it is normally referred to as the Adviser Service Fee.

In most instances you will be able to select the method of payment that suits you best. We will discuss and agree the method of payment with you before we provide you with services.

Commissions

If you take out a financial product through us, Magnitude may receive payments in the form of initial commissions and/or ongoing commissions from the financial product providers. These commissions are included in the fees, premiums and interest rate (in the case of margin loans) you pay for the product. This is not an additional cost to you. We may agree to rebate some or all of these.

The commission payable for different classes of financial products include the following:

Investment Products

For investment products, including superannuation and annuities, commissions are generally deducted from the funds you invest. Commissions on investment products may only be payable in certain circumstances where an arrangement exists as at 1 July 2013. Where you acquire an investment product before 1 July 2014, commissions may be payable where Magnitude had an existing arrangement with the product issuer prior to 1 July 2013.

Magnitude may receive between 0% and 1% of your initial investment as initial commissions from product providers whose products are recommended to you. Magnitude may also receive ongoing commissions from the management fees of the product providers.

Ongoing commissions range between 0% and 1% p.a. of your investment balance. Magnitude may pass up to 100% of these commissions to us.

Example

We recommend you invest \$10,000 in an investment product. The applicable initial commission is 1% and ongoing commissions are 1% p.a. Magnitude may receive initial commission of \$100 and may pass up to \$100 of that to us. Assuming the investment amount stays the same, each year Magnitude may receive ongoing commission of \$100 and may pass up to \$100 to us.

Life Insurance Products

Depending on the product you purchase, Magnitude may receive between 0% and 140% of the annual premium as initial commission, and between 0% and 38.5% p.a. of the annual premium for ongoing (trail) commission. Magnitude may pass up to 100% of these commissions to us. In addition, Westpac Group may receive benefits as part of the Magnitude Risk Partner Program in the form of education, training and other support and resources to assist in the delivery of life insurance advice. Participants in the Risk Partner Program may pay a fee to Magnitude. Participants may be given the opportunity to promote the benefits of their life insurance products. The total amount of fees, or the fees that may be paid by each individual life insurance product provider, will depend upon the commercial arrangements that may be negotiated from time to time between Magnitude and each product provider. These payments will not change the amount of the premium payable by you.

Example

We recommend an insurance product to you. The annual premium is \$450 p.a. Magnitude may receive up to \$630 as an initial payment and may pass \$630 to us. Assuming the premium stays the same, each year, Magnitude may receive up to \$173 p.a. as an ongoing (trail) commission and may pass up to \$173 to us.

Margin Lending Products

If we organise, or increase a margin loan for you, Magnitude may receive payments in the form of ongoing commissions from the margin loan provider. Commissions on margin lending products may only be payable in certain circumstances where an arrangement exists as at 1 July 2013. Where you have entered into a margin lending product arrangement prior to 1 July 2014, commissions may be payable where Magnitude has an existing arrangement with the margin loan provider prior to 1 July 2013. These commissions range between 0% and 0.5% p.a. of your loan balance. Magnitude may pass up to 100% of these commissions to us.

Example

We recommend you borrow \$10,000 through a margin loan. The applicable ongoing commission is 0.5% p.a. Assuming the loan balance stays the same, each year Magnitude will receive ongoing commission of \$50 and may pass up to \$50 to us.

OTHER PAYMENTS FROM PRODUCT PROVIDERS

Wrap and other Portfolio Administration Services

The commission payments disclosed in this section may only be payable in certain circumstances where an arrangement existed between Magnitude (or a related party of Magnitude) and the relevant product providers prior to 1 July 2013, where you invested through Wrap or another portfolio administration service described below before 1 July 2014.

Magnitude may pass on up to 67.5% of the licensee commission it receives from the administrator to us. This rate will vary depending on the total value of the licensee commissions we generate for Magnitude, and the amount of new business written by us in the Qualifying Products.

Magnitude may pass up to 67.5% of the licensee commission it receives from the administrator to us. This rate will vary depending on the total value of the licensee commissions we generate for Magnitude, and the amount of new business written by us in the Qualifying Products.

Example

We recommend you invest \$100,000 in Select Wrap Essentials and you accept the advice. The administrator currently pays \$275 p.a. to Magnitude and of that Magnitude may pass up to \$186 to us.

- c.) Where you invested in BT Elect Portfolio prior to 1 October 2010 and you continue to hold this product, Westpac RE Limited (the responsible entity of BT Elect Portfolio) pays a licensee commission to Magnitude of up to 0.25% p.a. on the sum invested, payable out of the Management fee that you pay to the administrator in relation to your investments as detailed in the relevant PDS. Magnitude may pass on up to 67.5% of the licensee commission it receives from the administrator to us. This rate will vary depending on the total value of the licensee commissions we generate for Magnitude and the amount of new business written by us in the Qualifying Product.

Example

We recommend you continue to hold \$100,000 in your BT Elect Portfolio account and you accept the advice. The responsible entity currently pays \$250 p.a. to Magnitude and of that Magnitude may pass up to \$169 to us.

- d.) When you invest via Macquarie Private Portfolio Management (Individually Managed Account or the Macquarie Separately Managed Account), Macquarie Portfolio Management Ltd pays a dealer margin to Magnitude of up to 0.25% p.a. on the sum invested. The dealer margin is payable out of the Management Fee that you pay to Macquarie Portfolio Management Ltd in relation to your investment as detailed in the relevant PDS. Magnitude may pass on up to 67.5% of the licensee commission it receives

from Macquarie Private Portfolio Management to us. This rate will vary depending on the total value of the licensee commissions we generate for Magnitude and the amount of new business written by us in the Qualifying Products.

Example

- e.) When you invest via Asgard eWRAP Investment, Asgard eWRAP Super/Pension and certain eligible Asgard master trust products, Asgard (the 'custodian and administrator' for these Asgard products) pays a licensee commission to Magnitude of up to 50% p.a. of the administration fees you pay in relation to your investment. Magnitude may pass on up to 67.5% of the licensee commission it receives from the administrator to us. This rate will vary depending on the total value of the licensee commissions we generate for Magnitude and the amount of new business written by us in the Qualifying Products.

Example

We recommend you invest \$100,000 in managed investments through Asgard eWRAP Investment and you accept the advice. This investment will incur an administration fee of \$820 p.a. of which the administrator pays up to \$410 p.a. to Magnitude. Of this amount, Magnitude may pass up to \$277 to us.

- 2.) When you invest via certain portfolio administration services administered by BT Portfolio Services Ltd ('Wrap Products') into certain investment funds (known as the 'Advantage Investment Series'), a payment may be paid by the relevant fund manager to BT Portfolio Services Ltd on the sum invested ('Fund Manager Payment'). The Fund Manager Payment only applies where you made an initial investment into the relevant fund through a Wrap Product before 1 July 2014. You will be told which funds qualify for the Fund Manager Payment. The total Fund Manager Payment is up to 41% of the Management Expense Ratio (MER) applicable to the relevant funds, multiplied by the amount you have invested in those funds. The Fund Manager Payment is calculated monthly on the average opening and closing balances of the Advantage Investment Series funds held by you.

Where applicable, a portion of the Fund Manager Payment is rebated to you and a portion is retained as commission by Magnitude and by the platform provider of the Wrap Products.

Where applicable, Magnitude will receive a monthly commission of up to 0.014% of the average balance you

have invested in the Advantage Investment Series for the month. BT Portfolio Services Ltd will receive a monthly commission of the balance of the total Fund Manager Payment. We do not receive any part of this payment.

Example

Where the average balance you have invested in the Advantage Investment Series via a Wrap Product is \$100,000, you will receive a monthly rebate of up to \$8.30 and Magnitude will receive a monthly commission of up to \$14.00. We are under no obligation to recommend Advantage Investment Series funds through the Wrap Products and neither Magnitude nor we receive any portion of the Fund Manager Payment.

- 3.) When you invest via Select Wrap or Select SuperWrap, BT Portfolio Services Ltd (the 'administrator' for Select Wrap and Select SuperWrap) pays an additional commission to Magnitude of an amount equal to 0.25% p.a. of the balance of your wrap platform cash account. This amount is paid by the administrator out of the cash account fee you pay to the platform provider (which is calculated daily and charged before interest is credited to your account quarterly). We do not receive any part of this payment.

Example

If your wrap platform cash account was \$50,000 for the whole year, the additional commission Magnitude would receive is \$125 p.a.

Life Insurance Providers

Magnitude may enter into arrangements with life insurance providers relating to the sale of certain life insurance products that provide for payment(s) to Magnitude in the form of a licensee commission based on the volume of sales. No amounts received by Magnitude relating to these arrangements are passed through to us. Currently, Magnitude may receive remuneration of up to 17% p.a. of the premiums written annually with applicable life insurance providers.

Example

If you purchase a relevant life insurance product and the annual premium is \$450, Magnitude may receive up to \$76.50 p.a. from that life insurance provider.

OTHER BENEFITS

From time to time we may accept alternative forms of remuneration from product providers or other parties, such as hospitality or support connected with our professional development (e.g. training or sponsorship to attend conferences). We maintain a register detailing any benefit we receive which is valued at between \$100 and \$300 and other benefits that relate to information technology software or support provided by a product issuer, or that relate to educational and training purposes.

A copy of the register is available on request for a small charge.

WILL ANY OTHER PARTIES BENEFIT FROM THE FINANCIAL SERVICES OFFERED IN THIS FSG?

Westpac may benefit from remuneration paid in respect of the financial services offered in this FSG.

Product providers in the Westpac Group receive product fees and may be entitled to certain expense reimbursements if you invest in their products. Product fees are generally calculated as a percentage of the amount or value of your investment in these products.

Sometimes Westpac Group companies do not charge specific fees for their products or services. This may be the case where, for instance, Westpac buys, sells or issues derivatives, foreign exchange products and certain other financial products from or to a customer. In these circumstances, instead of a fee, Westpac incorporates margins (being the difference between what you pay for a financial product and what it costs Westpac to issue it to you) into the buy, sell or issue price or rate.

Westpac Group companies may also benefit from other roles they perform in a transaction. When these products or services are provided to you, details of these fees or benefits and how they are calculated will be disclosed in the relevant PDS or other disclosure document that will be provided to you by us.

Preferred partners – Asgard platform

Westpac or a related company (excluding Asgard Capital Management Ltd) receives benefits in the form of fees from fund managers that it selected as preferred partners, where those arrangements were put in place prior to 1 July 2013. To be selected as a preferred partner, these fund managers must have met certain quality hurdles (such as investment fund performance). Preferred partners may be given the

opportunity to promote the benefit of their managed funds to Westpac Group representatives and other advisers who use the Asgard platform, including Magnitude advisers.

Westpac or a related company (excluding Asgard Capital Management Ltd) receives up to 100% of the management fee received by preferred partners in respect of funds under administration in their products through the Asgard platform. This fee is negotiated individually with preferred partners and may vary from time to time.

The total amount of fees received will depend on all relevant circumstances, including funds that flow into, and which remain, under administration. We do not receive any part of this payment.

Example

If you were to invest \$50,000 into a preferred partner's product via the Asgard platform and the management fee charged by the preferred partner is 1% p.a., the preferred partner may pay up to \$500 p.a. to Westpac or a related company (excluding Asgard).

If you choose to receive financial planning services, you acknowledge that we will be able to advise you on preferred partners' products. If you invest in a preferred partner's product as a consequence of such advice, fees, as outlined above, are payable.

We are under no obligation to recommend preferred partners' products. Please note that fund managers in general may pay rebates to Asgard and in such cases 100% is passed on to you directly by Asgard.

WHAT ARRANGEMENTS MAY INFLUENCE OUR ADVICE TO YOU?

Magnitude's Approved Product List includes some Westpac and BT financial products as well as a range of financial products from product providers not associated with the Westpac Group. Magnitude does not require its Authorised Representatives to recommend only Westpac Group products.

We are generally only permitted to recommend Wrap services provided by platform providers within the Westpac Group, however we can recommend other Wrap services to you where it suits your objectives, financial situation and needs.

Any other relationships or associations we have that may influence our advice to you will be disclosed in Part 2 of this FSG.

WHAT FEES DO WE PAY TO SOMEONE WHO REFERS YOU TO US?

If you are referred to us we may pay the referrer a fee. We may also provide the referrer with gifts such as branded promotional items, hampers or gift vouchers.

The fee varies according to the referrer and financial products involved.

The fee may be a percentage of our fees, a percentage of the total amount invested paid through the referral, or a flat fee. We may pay these fees upfront when the financial service is provided, or the financial product is provided, or periodically as ongoing fees.

Supplementary Financial Services Guide ('SFSG')

Dated 1 January 2018

Magnitude 

This Supplementary Financial Services Guide ('SFSG'), dated 1 January 2018, supplements information contained in the Magnitude Group Pty Ltd Financial Services Guide Part 1 dated 9 November 2015 ('FSG'). This SFSG is to be read in conjunction with the FSG. This SFSG has been authorised for distribution by the authorising licensee:

Australian Financial Services Licence No. 221557 ('AFSL')

Tower 2, International Towers Sydney,
200 Barangaroo Avenue, Barangaroo NSW 2000

Delete and replace the content under the heading 'SECTION 1 – WHAT TYPE OF FEES, COMMISSIONS, PAYMENTS AND OTHER BENEFITS DO WE RECEIVE FOR OUR SERVICES? – Life Insurance Products' of the FSG Part 1 with the following:

Life Insurance Products

Initial and ongoing commissions from insurance providers may be received by Magnitude. These commissions are paid to Magnitude by the company that issues the product that we recommend to you and they are included in what you pay for the product. The commissions vary and are based on the policy cost, which is the sum of the premiums you pay and may include other fees related to the product.

The initial commission is paid in the first year by the product issuer to Magnitude. Ongoing commissions are payments paid by product issuers to Magnitude in the years after the first year. These commissions may be passed onto us.

If you initiate an increase to your cover, Magnitude may receive initial and ongoing commissions on the annual increase to your policy cost. The ongoing commission on a client initiated increase is only paid in respect of the period that starts from the first anniversary of the increase.

If the initial commission is equal to the ongoing commissions (as a percentage of your policy cost), Magnitude may receive up to 38.5% (excl. GST) of your annual policy cost. If the initial commission is higher than the ongoing commissions, the maximum commission that Magnitude may receive is set out in the table below.

Date a new product is issued	Initial commission (% of annual policy cost or increase excl. GST)	Ongoing commission pa (% of annual policy cost or increase excl. GST)
Before 1 January 2018 or before 1 April 2018 when the application was received prior to 1 January 2018	0 – 140%	0 – 38.5%
1 January 2018 – 31 December 2018*	0 – 80%	0 – 20%
1 January 2019 – 31 December 2019*	0 – 70%	0 – 20%
From 1 January 2020*	0 – 60%	0 – 20%

* Magnitude may receive the pre 1 January 2018 commission rates above from the product issuer if:

- > your policy was issued before 1 January 2018 and you exercise an option to establish new or additional cover under your policy after 1 January 2018; or
- > your policy was issued before 1 January 2018 and is replaced after 1 January 2018 to correct an administrative error.

Example

We recommend an insurance product to you and it is issued on 2 January 2018. The annual policy cost is \$450. Magnitude may receive up to \$360 (80% excl. GST) as an initial commission and may pass up to \$360 to us. Assuming the policy cost stays the same each year, Magnitude may receive up to \$90 pa (20% excl. GST) as an ongoing commission and may pass up to \$90 pa to us.

From 2 April 2018, you decide to increase your insurance cover. The cost of this increased cover is \$100. The initial commission payable to Magnitude in respect of this increase will be \$80 (80% excl. GST) as the increase has occurred in 2018. The ongoing commission payable to Magnitude in respect of this increased policy cost will be \$20 pa (20% excl. GST), payable in respect of the period starting from the first anniversary of the date on which you increased your insurance cover (i.e. 2 April 2019).

From 2 April 2020, you decide to increase your insurance cover again. The cost of this increased cover is \$100. The initial commission payable to Magnitude in respect of this increase will be \$60 (60% excl. GST). The ongoing commission payable to Magnitude in respect of this increase will be \$20 pa (20% excl. GST), payable in respect of the period starting from the first anniversary of the date on which you increased your insurance cover (i.e. 2 April 2021). These commissions may be passed onto us.

You'll find details of how your insurance policy cost is calculated in the relevant PDS that we provide you. Where personal advice is provided to you, you'll also find details of the commission that Magnitude and we are entitled to receive if you decide to purchase a life insurance product, in your SoA or RoA.

Insurance Partner Program

In addition, Westpac Group may receive benefits as part of the Magnitude Insurance Partner Program in the form of education, training and other support and resources to assist in the delivery of life insurance advice. Participants in the Insurance Partner Program may pay a fee to Magnitude. Participants may be given the opportunity to provide training about their life insurance products. The total amount of fees, or the fees that may be paid by each individual life insurance product provider, will depend upon the commercial arrangements that may be negotiated from time to time between Magnitude and each product provider. These payments will not change the amount of the policy cost payable by you.

If your FSG contains the heading 'SECTION 1 – OTHER PAYMENTS FROM PRODUCT PROVIDERS – Life Insurance Providers', delete the contents under this heading as Magnitude no longer receives licensee commission based on the volume of sales of life insurance products.

Replace the email address for complaints under the heading 'SECTION 3 – ARE YOU SATISFIED? – WHAT TO DO IF YOU HAVE ANY CONCERNS ABOUT OUR SERVICES' of the FSG Part 1:

Replace:

 wealthmanagementcomplaints@magnitude.com.au

With:

Payment on MLC Insurance Products

We may become eligible to receive a payment if we participate in MLC Ltd's Insurance Adviser Rewards Program. This payment is paid directly by MLC Limited and importantly does not alter the amount of premium payable by clients.

The Program is operated by MLC between 01/10/2016 to 30/09/2017 (Qualification Period) and applies to MLC Ltd products, being MLC Personal

Protection Portfolio, MLC Life Cover Super, MLC Protection First, MLC Insurance and MLC Insurance (Super) (MLC Products).

Determining the MLC Adviser Rewards Payment

At the completion of the program, we may be eligible to receive a payment calculated as follows:

Payment = \$1,500 x End of Year Business Value Measurement (BVM)

Note: The BVM is a cumulative score based on weighting allocated to each business metric of the Qualification Process below which will apply on 30 September 2017. The maximum BVM score is 100.

For example:

- If the BVM on 03/09/2017 is 75 then the adviser is entitled for a payment of \$112,500 (\$1,500 x 75) (inclusive of GST)
- If the BVM on 03/09/2017 is 100 then the adviser is entitled for a payment of \$150,000 (\$1,500 x 100) (inclusive of GST)

Qualification Process

The Business Value Measurement (BVM) allocated is based on how well we meet or exceed each of the following:

- Retaining more than 88% of MLC Products over the qualification period;
- Total premium in force over \$1 million;
- New business sales more than \$100,000; and
- More than a 65% usage rate for Riskfirst.

If the retention criteria outlined above is not met, we will not be eligible to receive a MLC Adviser Rewards Payment.

WHAT IS YOUR FINANCIAL ADVISERS FEE STRUCTURE?

As part of detailed financial planning, there are costs to you at various stages of the process. Before making any recommendations, we will discuss and agree the fees with you.

Advice fees are inclusive of GST and payable by you at the following stages:

- 1.) **Recommendation:** For having a personalised financial plan (SoA) prepared, a plan preparation fee (up to \$11,000) is payable. The actual fee will depend on the complexity of your situation and the time it takes to prepare personal financial advice for you.
- 2.) **Implementation:** We may charge a placement fee and/or implementation fee to implement the recommendations in your financial plan. These are payable when you decide to proceed with the implementation of any one or more recommendations that we provide to you. The actual fee will depend on the complexity of

your situation and the amount of funds invested, but will not exceed:

- a. \$5,500; or
- b. the maximum of entry fees or contribution fees specified in the Product Disclosure Statement (PDS) for the recommended product; whichever is the greater.

- 3.) **Ongoing Advice Service and Reviews:** If you choose to have us conduct a review of your financial plan to ensure that your financial strategies and financial products remain appropriate to you, you may be charged a review fee. If you choose to have us provide an ongoing advice service, you may be charged a fee of up to 1.8% p.a. of total funds under management.

Where a placement fee and/or implementation fee is charged, we may rebate all or part of the initial commissions and/or ongoing commissions received from a product issuer, by way of an increase in your investment amount.

Where we receive an initial commission and/or ongoing commission amount, we may rebate all or part of the implementation and/or placement fee to you.

Note: Full details of all fees and commissions for financial services will be provided to you in a Statement of Advice (SoA), or Record of Advice (RoA) and Product Disclosure Statements at the time of receiving any recommendation.

WHAT OTHER BENEFITS DOES YOUR FINANCIAL ADVISER RECEIVE?

In addition to the remuneration detailed above, we are eligible to qualify for other benefits and entitlements as detailed below:

- Conferences and educational events

WILL YOUR FINANCIAL ADVISER BE PAID WHEN MAKING A REFERRAL?

If you have been referred to us by an external party and you accept the services we provide, we may make a payment to the external party for that referral. Any amount payable will be disclosed in the SoA provided to you. This will be paid by me to the external party and will be at no additional cost to you.
